Challenges

- **Authenticity vs. Mass Production:** Maintaining a balance between handcrafted, authentic products and scalable operations can be difficult.
- **Seasonal Tourism Dependence:** The shop's physical locations rely heavily on tourist traffic, which fluctuates seasonally and can be affected by global events.
- **Digital Competition:** Online marketplaces sometimes dilute the brand's uniqueness by offering similar products without the literary or regional connection.

Opportunities

- **Expanding Online Presence:** Enhanced e-commerce platforms and international shipping can tap into Anne's global fan base.
- **Collaborations and Limited Editions:** Partnering with artists and local artisans for exclusive product lines could increase appeal and justify premium pricing.
