Step by Step Rainbow Loom Instructions Printable: Basic Bracelet Tutorial

Let's get into the heart of this article — a simple, beginner-friendly bracelet tutorial that you can follow along with your printable guide.

Step 1: Setting Up Your Loom

Place your Rainbow Loom board in front of you with the arrows pointing away. This orientation makes it easier to follow the pattern.

Step 2: Placing the First Row of Bands

Take your first rubber band and stretch it diagonally from the first peg in the middle row to the first

peg in the right row. Continue placing bands diagonally downwards, moving from peg to peg until you reach the end of the loom.

Step 3: Adding the Second Row

Repeat the diagonal placement in the opposite direction, starting from the bottom and moving upward. Essentially, you're creating a zigzag pattern along the loom's pegs.

Step 4: Looping the Bands

Using your hook, reach inside the loom at the bottom peg and pull the lower rubber band over the peg and onto the next peg in the pattern. Continue this looping process along the entire chain, following your printable instructions carefully.

Step 5: Securing Your Bracelet

Once all bands are looped, carefully remove the bracelet from the loom. Use a C-clip or S-clip to fasten the two ends together, completing your bracelet.

These basic steps can be adapted and expanded with various patterns and designs, many of which are available as printable guides online.
