Napoleon increasingly alters the Seven Commandments to justify the pigs' actions and maintain control over the other animals. This manipulation highlights the theme of propaganda and the distortion of truth to serve those in power.

Squealer acts as the chief propagandist, using rhetoric and misinformation to convince the animals that their suffering is necessary and that the leadership is acting in their best interests. He rewrites history, justifies harsh decisions, and downplays the pigs' luxury, showcasing how language can be weaponized to control a population.

This event is a turning point that exposes the regime's cruelty.

Q3: How does the changing attitude of the animals reflect the themes of the novel?
